

441—76.13(249A) Health insurance data match program.

76.13(1) *Agreement required.* Any insurance carrier providing a health benefit plan in Iowa subject to regulation by the Iowa commissioner of insurance shall enter into and maintain an agreement with the department or its designee to provide the data necessary to enable the department to match insureds against Medicaid members and identify third-party payers for members.

a. The initial provision of data shall include the data necessary to enable the department to match insureds and identify third-party payers for the two-year period before the initial provision of the data.

b. Ongoing monthly matches may be limited to changes in the data previously provided, including additional insureds, with the effective dates of the changes.

76.13(2) *Agreement form.*

a. An agreement with the department shall be in substantially the same form as Form 470-4415, Agreement for Use of Data.

b. An agreement with the department's designee shall be in a form approved by the designee, which shall include privacy protections equivalent to those provided in Form 470-4415, Agreement for Use of Data.
